Streets Of Tacoma

Tacoma residents will soon see something new; "Martin Luther King Way." The Tacoma Ministerial Alliance Political Action Committee have chosen several prospective streets since the inception of the renaming process. This list included: "K", 12th, 19th, The Spur, and "D" streets.

In a meeting last Thursday, August 18, the list have been narrowed to two: "The Spur", and "D" streets. Of the two "D" appeared the most feasible selection. The renaming process would present a lesser cost because there is less involved: no freeway signs to alter, etc, "D" street also offers more visibility: in terms of location it would be frequented by residents and travelers. Some Committee members felt the city would be more supportive in this choice

The Committee ask for full support of the community in their efforts of implementing this long past due endeavor.

The Political Action Committee was formed Oct. 11,1982 at the St. John Baptist Church by Rev. J.A. Boles, Exec. Dir. of the Tacoma Ministerial Alliance. The purpose of this committee is to: 1. To register Minorities to vote. 2. To look at issue that must be voted on. 3. To observe and talk to candidates. 4. To write recommedations of candidates to the Ministers of the Tacoma Alliance. 5. To endorse major issues.

The meetings are held at 6:30 p.m. every Thursday.

The Committee Members are:

Pastor J.A. Boles-Director. Bernice Watkin-Chairperson, Adron Chandler, Rosco VanBuren, Willie Gentry, Bever Leigh Jones, William Roundtree, Jean Shepard, Sharon Davis, Erma Wilson, Gilda Oliver, Thomas Dixon, James Faircloth Clyde Parrish, and Warren Smith.

SERIES # 21 Isaiah 53:1&2

Who hath believed our report? and to whom is te arm of the Lord revealed?
For he shall grow up before him as a tender plant, and as a root out of a dry ground; he hath no form nor comeliness; and when we shall see him, there is no beauty that we should desire him.

WORDS OF WISDOM
PROVERBS 24 1-10

be not thy envious against evil men, neither desire to be with them.
For their heart studieth destruction, and their lips talk of mischief.
Through wisdom is an house builded: and by under standing it is established:
And by knowledge shall the chambers be filled with all precious and pleasant riches.
A wise man is strong yea,a man of knowledge increaseth strength.
For by wise councel tho shall make thy war and in multitude of couinsellers ther is safety.
Wisdom is too high for a fool: he opened not his mouth in the gate.
He that deviseth to do evil shall be called a mischievous person.
The though of foolishness is sin and the scorner is an abomination to men.
If tho faint in the day of adversity, thy strength is small.
If thou forbear to deliver them that are drawn unto death, and those that are ready to be slain;
If thou sayest, Behold , we knew it not; doth not he that pondereth the heart consider it? and he that keepeth thy soul, doth not he know it? and shall not he render to every man according to his works?

PRISONER'S CORNER

Submitted by- Ross Furlow.

IN AN EFFORT TO KEEP OUR READERS INFORMED, TACOMA FACTS WILL BE PUBLISHING PRISONER'S CORNER, A WEEKLY ARTICLE FROM THE PRISONERS THEMSELVES, HOWEVER THE OPINIONS ARE NOT NECCESSARILY THOSE OF THE PUBLISHER.

continue from last week.

To become rehabilitated means to accept and live by the values of society. It requires not faith only but the laws and customs of society, but faith in people of our' (State of Washington) society and to extend those values, and reproduce that faith, in your transactions with others in social intercourse.

To rehabilitate someone is a process of teaching. It is a process of learning by experience for the "man in need" of rehabilitation. he requires to know the benefits of the values of his society; he requires a firm understanding of the proper uses of the laws and customs of his society.

Only a man who is "a social anomaly" can fail to pursue his best interests, especially the pathway becomes clear to him, for "a social anomaly" knows the values of his society and its laws and customs.

The system of justice in America teaches those lessons to men as if they were social anomalies already- as if they had knowledge of the values and customs and laws of this society. This reflects the American Mavim: Ignorance does not acquit.

So rehabilitation is presumed and American justice seeks to punish men who (theoretically) know better. And what does punishment that aims at winning men over by reason It is the application of force? A system of justice that does not instruct by reason, that does not rationally demonstrate to a man the errors of his ways, accomplishes the opposite ends of justice: oppression.

I personally know, feel and believe NO one in any prison in this country (particular, Washington State) has ever BEEN SHOWN THE ERRORS of his ways by law. It seems it is an annoyance NO one involved in the ADMINISTRATION OF JUSTICE wants to be bothered with? So it is relegated to the prison regimes.

If society is so intolerable that a man can only feel himself to be a man in prison, It is the the "FAULT" of society. And I(prisoner) suggest that a few men are constantly rehabilitated in prison: THEY BELONG IN SOCIETY OR THEY BELONG TO THE DEAD. But not in prison. DO NOT ask me what all this has to do with THE AMERICAN SYSTEM OF JUSTICE: It is the essence to the American system of justice?

A DAY OF PRAYER
PROVERBS
CHAPTER 16

The preparation of the heart of the tongue, is from the Lord.
All the ways of a man are clean in his own eyes; but the Lord weigheth the spirits.
Commit thy works unto the Lord, and thy thoughts shall be established.
The Lord hath made all things for himself: yea, even the wicked for the day of evil.
Every one that is proud in heart is an abomination to the Lord: though hand join in hand, he shall not be unpunished.
By mercy and truth iniquity is purged: and by the fear of the Lord men depart from evil.
When a man's ways please the Lord, he maketh even his enemies to be at peace with him.
Better is a little with righteousness than great revenues without right.
A man's heart deviseth his way: but the Lord directeth his steps. A divine sentence is in the lips of the King: his mouth trangresseth not in judgement.
A just weight and balance are the Lord's: all the weights of the bag are his work.
It is an abomination to Kings to commit wickedness: for the Throne is established by righteous
Righteous lips are the delight of Kings; and they love him that speaketh right.
The wrath of a king is as messengers of death: but a wise man will pacify it.
In the light of the King's countenance is life; and his favour is as a cloud of the latter rain.
How much better is it to get wisdom than gold! and to get understanding rather to be chosen than silver!
The highway of the upright is to depart from evil: he that keepeth his way preserveth his soul.
Pride goeth before destruction and an haughty spirit before a fall.Better it is to be of an humble spirit with the lowly, than to divide the spoil with the proud.
He that handleth a matter wisely shall find good:and whos trusteth in the Lord, happy is he.
The wise in heart shall be called prudent: and the sweetness of the lips increaseth learning.
Understanding is a wellspring of life unto him that hath it: but the instruction of fools is folly.
The heart of the wise teacheth his mouth, and addeth learning to his lips.
Pleasant words are as an honeycomb, sweet to the soul, and health to the bones.
There is a way that seemeth right unto a man, but the end thereof are the ways of death.

We welcome news of your church and civic events.

SOMETHING'S WRONG

Equality was once an issue everyone acknowledged. For or against, it was hard to ignore. And that was good; it is an important and moral issue. But now, something's gone wrong. People forget that the advances made by the minorities in this country came after decades of struggle.

The NAACP hasn't forgotten; through the changes of presidents and national moods, the NAACP has single-mindedly sought one goal: EQUALITY IN ALL ASPECTS OF AMERICAN LIFE. It has contributed greatly to the quality of life in America for Black citizens. Now, the NAACP needs your contribution.

You can contribute to the NAACP painlessly by telling *your* employer (city, county, state government or major corporation), you'd like to give to the NAACP through a payroll deduction plan.

The NAACP hasn't forgotten!

Don't forget the NAACP! HELP US HELP OURSELVES.

HOW NOT TO DIE AND MAKE MONEY DOING IT

If you are not your ideal weight, interested in improving your health, want to make some money and want to help Black people, or any of the above, read on.

Bruce Lightner, a member of the Lightner Funeral Home (in business since 1911) family in Raleigh, North Carolina, wrote to 225 Black mayors (his father was the first Black mayor of a major North Carolina city) and asked them to identify an individual or individuals in their cities who want to make available a health plan to get rid of or reduce the epidemic of obesity (excess weight), high blood pressure, heart disease and diabetes in the Black community.

If anybody knows the causes of death among Black people, Lightner should.

I mentioned diabete, along with other diseases that strike Afro-Americans especially hard -- along with obesity, high blood pressure and heart disease. All of these rather benign names are pronounced killer. And they are almost neo-medical synonyms for Afro-Americans. For example, take diabetes.

Although it is 90 percent preventable, it devastates, literally, 11 million Americans and kills another 300,000 every year. It is the third leading cause of death in America.

It afflicts over six percent of all Whites and almost 10 percent of all Blacks in a population of nearly 230 million. That spells misery for over 800,000 Blacks and 4.4 million Whites who are already diagnosed as diabetic and another 650,000 Blacks and 3.8 million Whites who have the disease and don't know it.

CLOSING THE GAP

By John Jacobs

One reason for the widespread withdrawal from civil rights concerns is the illusion that black progress has been so significant that special efforts by government and the private sector are no longer necessary.

But that premise is totally wrong. While no one could deny significant progress on a number of fronts, the gap between white and black Americans has not closed, and in some respects has actually worsened.

The latest of many reports documenting the continuing black-white gap was recently released by the Washington-based Center for the Study of Social Policy. It says what the Urban League's State of Black America reports and others have also reported about the continuing gap. But every fresh reminder has to be publicized tc the utmost, since America's leadership refuses to act on the facts.

What are those facts? Well, the most crucial gap is the income gap. Black family income is only 56 percent of the white median, about where it was in 1960 and down from 61 percent in 1970.

That means for every dollar of income the typical white family has, the typical black family has only 56 cents.

The decline in family income is partly the result of the gap in employment opportunities. The black unemployment rate is now around 21 percent -- more than double the white rate.

Black unemployment if far higher than it has been in the postwar era. As a result fewer blacks are in the labor force, defined as comprisi sing people actively looking for work. Their futile attempts to find work confirm their perception that jobs are simply not available.
